

Why join the Bay Area Chapter of the American Harp Society?

Community: Join a community of people who love to play the harp, some professionally, others for recreation and enrichment.

- Meet visiting harpists at concerts, master classes and receptions
- Stay informed of concerts and activities by bay area harpists
- Connect with local harpists
- Find friends for playing ensemble works and networking
- Get involved with local events of interest to harpists

Visibility: With community comes visibility. Performing harpists create demand and new opportunities for our beautiful instrument at special occasions and within daily life.

Support: As a member, your dues, talents and efforts contribute to the overall vitality of the harp community. Dues help to:

- Fund Continuing Education, Student Competitions and local events making it affordable for members and families to attend
- Host world class harpists of all styles from around the world for concerts, master classes and workshops

Continuing Education: Concerts, master classes and informal salons provide opportunities to learn from other professional harpists.

Competition: Our bi-annual regional competition offers students and teachers an opportunity to organize and achieve yearly goals.

Additional benefits:

- Regional harp news
- Bay Area Classifieds: Harps for sale and rent, services and accessories
- Reduced rates on harp-related events, also extended to your family
- National Conferences and Competitions, as well as access to low-cost insurance for your harp and other musical instruments through your concurrent membership with the national AHS (www.harpsociety.org)
- Bay Area Chapter of the American Harp Society is a 501(c)3 corporation and, as such, both membership dues and all donations are tax-deductible, to the full extent allowed by law.
